

# SAVE up to \$500

When you purchase a high-efficiency heating oil system and a heating oil storage tank (valid while funds last).

One coupon per customer. To qualify for rebate, customer must be a resident of Wisconsin and the system that is installed must be of greater efficiency than the system it replaces.

Present this coupon to your heating oil company during purchase.

I am installing:

- A new heating oil system – \$300
- A new heating oil storage tank – \$200
- Both – \$500!
